Institute of Computer Engineers of the Philippines, Incorporated

SEC Reg. No. 201 120 675 / TIN: 008 169 256 000

DATE: March 31, 2024

FOR: All Regional ICpEP President / ICpEP ACTIVE MEMBERS / CpE FACULTY MEMBERS / CpE INDUSTRY PRACTITIONERS / New CCPE and PCPE

SUBJECT: Invitation for 2024 2nd ICpEP International Research Conference on Computer Engineering and Technology Education (IRCCETE 2024)

Greetings!

The Institute of Computer Engineers of the Philippines (ICpEP) invites you to the 2nd ICpEP International Research Conference on Computer Engineering and Technology Education (IRCCETE 2024) with the theme "Adaptive Learning Landscapes: Reshaping Computer Engineering and Technology Education" on April 18-20, 2024, at Adamson University, 900 San Marcelino St. Ermita, 1000 Manila, Philippines.

ICpEP aims to put research as part of institutional development and considers the conduct of research capability conferences presenting the product of their research as a necessity. IRCCETE 2024 is a venue in the conduct of discipline-based, policy oriented, technology directed and innovative/creative research that are locally and internationally responsive and globally competitive.

In this regard, you are cordially invited to join the said event. Details of the registration are shown below.
