DATE	:	March 31, 2024
FOR	:	All Regional ICpEP President / ICpEP ACTIVE MEMBERS / CpE FACULTY MEMBERS / CpE Heads and Deans
SUBJECT	:	Invitation to the National CpE Challenge

Greetings of good health and safety!

The Institute of Computer Engineers of the Philippines, Incorporated (ICpEP, Inc.), will hold its **National CpE Challenge** on **April 18-20, 2024,** and will be hosted by the ICpEP-NCR Chapter*.* The competition is part of the three-day big event of the ICpEP, Inc., in line with the **International Research Conference on Computer Engineering and Technology Education (IRCCETE)** that will be held at **Adamson University, Ermita, Manila** on April 18-20, 2024. The competitions' objectives are as follows: (1) to enhance competencies of Computer Engineering (CpE) students through various academic competitions and eSport, (2) to provide a venue for them to showcase the knowledge and skills they have gained and developed through these nationwide competitions, (3) to promote competitiveness among CpE students in preparation for adverse changes brought about by unexpected situations.

On behalf of the ICpEP National Board, I am cordially inviting the student-contestants and coaches to participate in the CpE Challenge. Below are the schedules of fees for your reference:

National CpE Challenge Registration Deadline: April 8, 2024	Fee
Competing Team for Each Event	
Quiz	Php2500
Robothon Competition	Php2500
E-Game Tournament	Php2500
Logic Breadboarding	Php2500
Individual Contestant for each Programming event	
C	Php2000
C++	Php2000
Java	Php2000
Python	Php2000

* Contestants must be with Updated ICpEP.se Membership

Regional Chapter Presidents must endorse their regional representatives/contestants by registering online at https://bit.ly/2024NatCpEChallengeRegForm for each event that their region will be competing in; and attach their scanned deposit slips/online banking receipts.
